COLONEL WARING LOCKED UP.

ERNOR MORTON. Coionel Waring has established a new rule in the Street Cleaning Department since his trouble with Major Moore. Visitors must now be announced by an attendant before they are admitted into the presence of the Colonel. Corporal Moore is the nardian of the Colonel, and is stationed outside the cked door. 1 see by the public press that the Assembly has passed a resolution of censure upon the Commissioner of Street Cleaning of the city of New-York for his disregard of the reasonable request made for information of a public character.

As the Assembly has adjourned, I beg to make achnowledgment of this resolution directly to the Governor. It is not unlikely that during the excitement of the closing days of the session letters arriving for the officers of the Assembly may have been overlooked.

The fact is, that on May 8, 1895, I received from A. E. Baxter, Clerk of the Assembly, a copy of a resolution asking certain information from me; that I immediately made arrangements for a reply, and that under date of May 9, 1895, I received, answering in full every query. I inclose copies of the resolutions and the letter.

#### THE NEW DEPARTMENTS.

MAYOR STRONG TO STUDY CAREFULLY THE LAW DIVIDING THE CHARITIES AND COR-

Mayor Strong has sent to the Secretary of State by the Governor and is now a law, dividing the legal effect until January 1, 1896, but the Mayor can appoint the commissioners provided for in the Act time after receiving official notice of its

law carefully before taking any retion under it. 'olonel Strong may appoint a commissioner of the only, who is to receive a salary of \$7.500. The ap-pointee will have the remainder of the year to

three commissioners, the present number in the Board of Charities and Correction, and the salary \$5,000 each remains unchanged.

of \$5.000 each remains unchanged.

The Mayor has decided on the reappointment of the three commissioners now on the board, Robert J. Wright, Republican; John P. Faure, Mugwump Democrat, and Henry H. Porter. Tammany Democrat. Commissioners Wright and Faure are Mayor Strong's own appointments. Mr. Porter has been for two terms commissioner, and was reappointed by Mayor Gilroy two years ago.

Six more applicants for the office of City Magistrate sent their papers to Mayor Strong yesterday. The bill appropriating \$160,000 to enable the Commissioners of Accounts to make a thorough investigation of the several departments of this city lately under Tammany Hali control, having become a law, preparations are in progress under Mayor Strong's direction for pushing the work of inquiry at once. Commissioner Terry had an interview with the Mayor yesterday with reference to the plans under consideration. Decisive action is looked for next week. The first department of Docks, and some rich revelations are expected.

Mayor Strong was asked yesterday to lend his aid to the establishment of drinking fountains throughout the city. He was called upon by Colonel and Mrs. B. F. Watson and Miss H. D. Fellows, of the Church Temperance Society, who said that besides quenching thrist the fountains would prevent to a greater or less extent the drinking of intoxicating beyerages. The Mayor said that he was in sympathy with their aims and would do all he could to further them.

The investigation into the charges of perjury made against Maurice V. Freund, a real estate broker, which was adjourned from last Friday, was continued yesterday before Recorder Goff, in Part I, of the Court of General Sessions. The deence opened its case with a motion to dismiss, and the first witness was David M. Roehler, a liquor importer, of No. 110 Broad-st. He knew the defendant since 1257, and swore to the defendant's good character. H. Wronkel, of No. 20 West Fifty-seventh-st.; Thomas McManus, a builder; J. R. Scott, a real estate dealer; Congressman H. C. Miner, John Graham, a builder; Patrick Donohue, a dealer in hides and tallow, all testified to Freund's good character. Mr. Wronkel said that Freund had made real estate sales involving \$250,000 for him.

him. Mark Zeigler, of No. 218 East Forty-ninth-st, testified that he bought No. 237 East Fifty-second-st, during April, 1888, and paid \$13,000. Mr. Levy announced that his eitent had made a mistake in the numbers of the Fifty-second-st, property, and that the error was not wilful or intentional ar criminal. The hearing then adjourned until Wednesday afternoon at 2 o'clock.
